# The Best Store Wins Today

## Three Hundred Suits and Two Hundred Coats Step Forward This Morning

Hundreds of Clarksburg women will buy new suits and coats within the next few days. That is as absolute as the fact that election was yesterday.

The store that gives the best service for the longest time is the store that will receive the greatest single part of the patronage of those women.

This store is ready this morning to serve more women with better clothing than ever before.

It's all new--brand new.

It's all made to our order; not one suit or coat that is anybody's leftover, or reject, or misfit.

We are able to realize more and more clearly every year that the best way to hold patronage of discriminating and intelligent women is to sell them merchandise that will win their business respect.

## Women's Suits and Coats To Sell at \$13.75, \$21.50 and \$25

Hundreds of new all-wool Women's Suits and Coats—\$13.75, \$21.50, \$25.00—ready today to compare their own merits with suits and coats that may be found elsewhere at several dollars more in price.

We call special attention to a suit style No. 261, made up to our order and priced at \$21.50. We call it "Durable," and we have not been able to find its equal anywhere else under \$25.00. It is very fine in appearance, made of black and blue men's wear Serge, severely tailored.

## Our Suits at \$13.75 Have No Equal Anywhere

## The Lure and the Lore of the Price Tag Being a Few Statements Concerning November Cut Glass Sale Economies

We would like everybody to know that we don't care how the price tags on our cut glass look so long as they are true.

If in this November Sale, we have so large a quantity of Cut Glass, the price of which are really one-third less than the here-to-fore values, it is not because we want to have these things to print in the papers, but because the figures are facts, responsibly warranted by this house.

These are legitimate trade reasons for these reductions, the dropping of a design, cleaning up sample pieces, but more particularly to the fact that this is our first opportunity to buy direct from the cutters, thus saving the cost of handling and profits of the middleman, averaging us 40 per cent. savings.

The cuttings are in all the designs, such as foliage, flowers as well as the new conventional cuttings.

## JOHN L. SULLIVAN, EX-FIGHTER, LIVES SIMPLE LIFE ON HIS NEW ENGLAND FARM

John L. Sullivan at his farm in Abington, Mass.

Ruddy cheeked, clear eyed and with a step as springy as in the days when he was the champion prize fighter of the world, John L. Sullivan has this fall been directing the harvesting of a fine crop on his seventy-acre farm on the outskirts of Abington, Mass. He is no longer the Sullivan whom his friends knew during the years that followed his defeat by Corbett. He drinks none, smokes little, and lives the simple life. Sullivan has grown potatoes enough almost to keep the town of Abington supplied for the winter. He has some hens that he is proud of, and grows about every vegetable that can be raised in the New England climate.

## SOCIAL

### Circle Meets.

Well written and interesting papers were read by Mrs. George Rogers, Mrs. Edward B. Nelson, Miss Dora Powell and Mrs. O. A. Ammon yesterday afternoon at the meeting of the King's Daughters Circle held in the parlors of the First M. E. church. Mrs. O. Dale King conducted the devotional services and the program was in charge of Mrs. Frank B. Haymaker.

### Fine Program.

A very pleasing and interesting program which was in charge of Mrs. Kuhl, was rendered last evening by the Missionary Society of St. Paul's Methodist Episcopal church, South, in the home of Mrs. William Cole and was much enjoyed by all who were present.

## MAKES REPARATION BY MARRYING GIRL

Essie Carter.

Declaring that he wanted to make reparation for his father's cruelty, in whipping the girl, Vogt O. Dozier, son of W. S. Dozier, of Dawson, Ga., recently married Essie Carter. Young Dozier has been infatuated with the Carter girl for some time. When the elder Dozier's efforts to separate them failed, he, with several friends, dragged the Carter girl from her home in Dawson, stripped her naked and whipped her unmercifully. The girl came near dying from the beating and Dozier's act was bitterly condemned.

### OUR WAY STUDIO

Photography is just what we make it—a fine art or a mechanical art.

The artistic side of photography has always appealed to me. I have made a specialty of artistic posing and finishing. There are those who appreciate, and are willing to pay for artistic pictures—pictures that are the result of thought, plus—hard work.

Can you think of anything you would rather receive than a "pleasing" picture of your dear relatives or friends—or can you give anything half so valuable as an attractive photo of yourself, as a remembrance, at the holiday season?

I want to again thank my friends for their very liberal patronage and I appreciate every good word spoken of my work.

I invite all to visit my studio and inspect my work, whether you want \$50.00 per dozen pictures or \$5.00, you are welcome.

MRS. RARICK.

### Card Party.

Eight tables were in use for a large card party given by the Ladies Auxiliary of the Ancient Order of Hibernians last evening in Centennial Hall. Progressive euchre was the diversion of the evening and at the completion of the game the prizes were awarded to Miss Henry and Mr. Daniel Henry. Later refreshments were served.

### To Receive.

A large class will receive all the degrees followed by a banquet this evening at the meeting of the Emmanuel Encampment, L. O. O. F., which will be held in Odd Fellows Hall and all Patriarchs are asked to attend.

### Aid to Meet.

The Ladies Aid Society of St. Marks Lutheran church will meet at the home of Mrs. H. L. Stemple on Linden avenue Thursday afternoon at 2:30 o'clock.

### Miss Taylor Entertains.

Miss Mamie Taylor entertained most delightfully the members of the West Minister Guild last evening in her home on Wilson street.

### For Mrs. Devine.

Complimentary to Mrs. James J. Devine the Misses Mundy will entertain a number of their friends this evening in their home on Oak street.

Samuel A. Elliott, of McAlpin, was in the city Wednesday.

## The Woman's Store

NOWHERE WILL YOU SEE PRETTIER WAISTS THAN THESE We've collected scores of the very loveliest styles designed for fall wear.

Every waist here is in a new and correct model. We waited until the recognized fashion authorities issued their decrees, then we bought heavily, bringing to bear upon our selections all the good taste and knowledge of values for which our waist department is well known.

There have been many marked changes in waist styles this season. The sleeves, especially, are different in cut and shape and bear little resemblance to last fall's fashions. Many new materials and combinations of effects have sprung into popularity. We cannot attempt to give in this space a definite description of the various styles and fashion changes, but we can and do promise that an inspection of our present assortments of waists will fully reveal to you ALL that is new and ALL that is fashionable in fall waist styles.

These prices are quoted merely as instances of the very good values offered:

## Those Peruna Testimonials

### How Are They Obtained?

F. E. HARTMAN, M. D.

For a great many years I have been gathering statistics as to the effects of Peruna when taken for catarrhal diseases of the bladder, prostate, etc. I have on hand thousands of unsolicited testimonials from people in all stations of life, who claim that after many years futile attempts to rid themselves of chronic catarrh by various forms of treatment they have found complete relief by the use of Peruna. These testimonials have come to me unrequested, unsolicited, unrewarded in any way, directly or indirectly. They have simply been gleaned from my private correspondence with patients that have been more or less under my treatment or taking my remedies.

No remedy, official or unofficial, has a greater accredited basis for its claims we make for it than Peruna as a remedy for catarrh.

I have never been opposed at any time to the regulations offered by the Pure Food and Drugs Act. I am not now opposed to its provisions, but I am opposed to the proposed amendments to give to a partisan board of physicians the unqualified authority to decide as to all therapeutic claims which
